"He indicated that the objects fly in a wobbly way. His pictures have shown that. He says 'like the rocking of a boat.' He has measured many right angle turns and also full 180 degree turns in a 20th of a second with the objects still inside the bow-wave. He has also observed and photographed the object or lights moving in a triangular pattern and square patterns. HE SAYS HIGH POWERED RADAR CAN INTERFERE WITH THEM <EM>(Radar operates through the generation of powerful electromagnetic beams, so it is reasonable to assume that if a radar array is large enough and its energy output focused enough, a radar 'beam' might conceivably throw an aerial craft operating on electro-magnetic anti-gravitational principles out of balance, causing a crash. In fact it is said by William Cooper and others that several of the disks that crashed in the late 1940's were intentionally

brought down by the military using powerful radar systems - Branton)</EM>. I reported on the meeting that we had on Sunday afternoon and raised some of the questions that came out of that meeting. One of them was why not remove the implant? He said that this had been discussed and the lady witness finds that acceptable if she can be assured that there can be no nerve damage. He then went into great detail, which exceeds my knowledge of anatomy, in describing the location of the implants. ONE APPEARS TO BE ADJACENT TO AND EXTERNAL TO THE CORTEX, WHICH I THINK HE INDICATED WAS AT THE BASE OF THE BRAIN. The image of the CATscan is of a very small helix, like it was joining two major nerves near the spinal column. Then on the lateral right side from the back, there is an implant of perhaps like the one above. Another is on the left side. Two others are on the forward part of the skull, which appear to be small 2 millimeter electrodes AGAINST THE RADIAL NERVE. There is a shape to these things which he indicated is like a baby bottle nipple upside down <EM>(* This shape is not the implants which [-unreadable-] the skull)</EM>, not the cap part, but just the nipple itself. (I raised the question of the U.S.S.R. satellites seeing this Base) He acknowledged that and also that ours can certainly see it. <EM>(This would be confirmed by the famous GROOM LAKE satellite photograph, showing the dry lake bed in the S-4/Dreamland area of Nevada which has made the rounds within the UFO research community, a photograph that was taken by a Russian satellite - Branton)</EM> He had a discussion with some photo analyst <EM>(* OSI photo analyst)</EM> who indicated that he had seen tracks up a hill and

a launch location that was definitely not a rock but some kind of artificial construction. On the hazard of entering (the) area, I asked about that. He said that there is a risk if we went in on foot, but if a person tried to do that (it was) likely that the people would 'wack them.' <EM>(* I said 'zap'. The odds are one might be accosted)</EM> But he thinks that a helicopter would be safe. But what he wants to do is to do additional aerial surveillance. Then go in with a group, the larger number of people the better. A Highway Patrol-man, a friend of his, is ready to go in at any time. He says one can't act on impulse. You have to plan out a program. He said four times he had near encounters and one was with this Major Edwards. He had received a mental communication <EM>(* No -- not received -- I asked them mentally -- they were apparently scanning me -- I don't 'receive' anything mentally.)</EM> while watching some UFOs... <P>

"He is president of Thunder Scientific Corporation, a well known operation there, with their specialty being temperature and humidity devices. THEIR EQUIPMENT HAS BEEN ON THE SHUTTLE AND MOST OF THEIR BUSINESS IS WITH THE TOP 500 CORPORATIONS.<P>

"His company is by Sandia on 1/2 acres and (he is) now building an additional 3500 sq. ft. building. There is another organization called Bennewitz Laboratory which is the research arm of Thunder Scientific Corporation owned 90% by the latter and operated by his three sons. They have invented a hearing device

that has no moving parts that makes totally deaf people able to hear and in addition, expanding the frequency range plus 100 HZ on the high side and down to less than 10 HZ on the low frequency end.<P>

"He said that he got involved in all this merely as a hobby and it became an obsession. He simply wanted to know what was going on and to develop instrumentation to measure data, etc. Since THE SIGNALS FROM THE UFOS ARE VERY LOW FREQUENCY, DOWN AROUND 200 HZ and with an analyzer you just think you are looking at some noise. But I believe he said IT WAS A MEMORY SCOPE THAT WAS ABLE TO FILTER OUT THE SIGNAL INVOLVED THERE WHEREAS ORDINARY FILTERS DO NOT. They trigger signals in an on and off fashion, instead of O and 1 volt representing that type of communication or signal a distinction is made between a narrow pulse and wide pulse. Each communication is preceded by four or five pulses. HE HAD PREVIOUSLY BEEN IN TOUCH WITH THE O.S.I. which has been verified by (the book) 'CLEAR INTENT.' But NOW HE SAYS THAT WHEN HE CALLS THEM, THEY WON'T SPEAK TO HIM SO HE IS IN A 'SHUT OUT' SITUATION. I pointed out that there were two O.S.I.'s (Office of Special Investigation) and the other is C.I.A. (Office of Scientific Investigation). He assured me that it was not the C.I.A. group. He said the actual title of the group that he was dealing with was the 'Office of Secret Investigation' (or 'Intelligence'). He says there is also a new pattern or [-?-] called Human Intelligence, that is they investigate the humans, that is

the government. I mentioned to him that in 'CLEAR INTENT' that it said he was under surveillance. That happens to be in error. That information comes from SOMEWHERE ELSE. But he quickly said 'I know that I am under surveillance.' They set up a site across the street from his house with computers and recorders. A girl rented the house. He had a detective look into this and found that she was operating under an assumed name and SHE HAD NO SOCIAL SECURITY NUMBER. HE HAS PHOTO-GRAPHS OF PEOPLE COMING AND GOING WITH 'NORAD' LICENSE PLATES, AIR FORCE, A.F. WEAPONS LAB. HE THINKS N.S.A. IS ORCHESTRATING THIS. For an entirely separate subject, he thinks <EM>(* I was told that it was by a Washing-ton source)</EM> this whole operation, THE UFO BASE DETAIL IS CLASSIFIED HIGHER THAN THE PRESIDENT. THAT IS, HE THINKS THE PRESIDENT DOESN'T KNOW ABOUT THIS (Not in total depth) <EM>(* True)</EM>.<P>

"He is also concerned that there are two levels of security involved. (1) Project AQUARIUS which is TOP SECRET and another (2) higher than that; where people in charge of the higher level information HAVING THESE NEW VEHICLES COULD SIMPLY TAKE OVER THE GOVERNMENT. He called the Air Force intelligence head headquarters in (Washington) <EM>(* Yes -- true -- AF Intel.)</EM> (He didn't say Washington, but that was the idea) The Commanding Officer was not present but he talked to a Captain who was the adjutant or executive and started talking. He said 'I know all of these facts, and this and that and what do

you think about that?' The Captain said 'JUST WRITE US A REPORT AND TELL US WHAT WE SHOULD DO.' <EM>(* About it)</EM> So he prepared a 20 page report and Edwards saw it. He forwarded it by Federal Express and also a copy to the White House in a double envelope, indicating that sensitive material was in the inner envelope. Edwards got a call from Colonel Smith <EM>(* Not Smith -- Col. Don ____? Have to check files.)</EM> who was the White House Liaison to inquire who this Bennewitz fellow was. Edwards gave a positive report. The White House was extremely interested and issued orders 'TO GET ON WITH IT; TO DO SOMETHING, ASSURING EDWARDS THAT BENNEWITZ WOULD RECEIVE A LETTER WITHIN TWO WEEKS.' <EM>(<STRONG>Note: </STRONG>This serves to confirm that TWO groups, elected and unelected, are working simultaneous in 'government' and that each seems to have two different agendas - Branton)</EM> Such a letter was never received. Finally, Col. Smith from the Air Force Secretary sent him a letter eventually just pursuing the 'old party line.' That said 'he should not be troubling the headquarters of the Air Force and the Executive offices of the White House with all of his stuff.'<P>

"Bennewitz showed this letter to Edwards WHO BLEW UP AND CALLED SMITH <EM>(* Col Don. ____)</EM>. They got an answer from the Air Force that they were not interested and knew nothing about it. On another point: referencing the 'STIGMATA' article where the farmer thought that the two humanoids may have been naked. In the case with which he was dealing with -- the woman and the son, the boy upon being questioned laughed, and said 'they had no

fronts or behinds.' I asked no sexual organs, and he said yes, no organs at all. He has received information concerning a high metabolism rate of the creatures, even birdlike. One of the witnesses, I think the woman who was being taken by the hand, said the hand of the creatures was 'red hot.' And he guesses that it must have been 115 degrees F. The creatures cannot stand uncontrolled environment. THEY WEAR SUITS FOR PROTECTION AGAINST EXCESSIVE HEAT. They are fed by a formula and if they are short of that intake, they will turn green. <EM>(* Turn Grey -- They are a light yellow green when healthy)</EM> The heart is on the right side and they have one lung. Elimination is through the skin. The creatures are very strong...<P>

"He says that the UFOs can be detected by radar detectors and they also trigger highway patrol radar or Police radar guns. His friend Valdez, at his suggestion, was looking for water intake to the site and within about 1 1/2 miles he came upon a flying saucer at a distance of about 300 ft. THE INDIANS OWN THE AREA -- ARE QUITE SCARED AND VERY SUPERSTITIOUS AND 90% OF THEM HAVE MOVED INTO TOWN. The Chief of Police told him about an experience he had. A tribal chief had gone deer hunting on a mesa SOUTH of Dulce. Two days went by. When he didn't return, a search party was sent out. In the daylight on the mesa, a ship 'hopped up' from down below and came above the mesa. The guys (human) kicked the tribal chief to the ground. Then they got into the ship and disappeared. He had been hunting and had 'fell'. He had a broken leg and he was

picked up by these people in the craft. They were blacks... <EM>(* No -- No --the SHIP was black... black uniforms)</EM> He discussed something about some devices called sphericals that are optical in sound <EM>(* They have a sound when they move abruptly.)</EM> and apparently remotely controlled little vehicles... Spheres from 1 1/2" to 12" in diameter. We discussed weapons used by aliens and whether or not they are used to paralyze people. Yes, they consist of a cube about 2" on a side -- called a lens, hung around the neck -- that emits a beam. Another on the ship produces a BLUE LIGHT that he has seen. It comes from a device about 4" high and 14" long with grid black lines on it. The color produced is very light blue which is like ionized oxygen. He has not sought publicity on any of this. He is only interested in getting the facts...<P>

"I continue to get reassurance that the guy is continually on the level and what he has to say should be taken seriously... (Jim McCampbell comment.)"<P>

Following are quotations from a document which was put together by Paul Bennewitz. Although Paul has apparently been 'silenced', the discoveries he has made in the physical/techno-logical area of this 'para-physical' war cannot be covered up. The following is apparently a proposed plan for a physical assault against the aliens and may be useful in any future attempts to re-take the bases from alien or ALIEN-CONTROLLED elements (and possibly set free the various 'captives' being held there):<P>

"IN BRIEF -- THESE ARE APPARENT CAPABILITIES OBSERVED AND GLEANED THROUGH THE COMPUTER COMMUNICATION AND OBSERVATION. YOU MAY KNOW THESE, HOWEVER, THEY ARE DIRECTLY RELATED TO THE LAST AND FINAL PORTION OF THIS REPORT. WHAT CAN BE DONE?<P>

"<STRONG>1)</STRONG> Because of the alien's apparent logic system (they appear to be logic controlled) A KEY DECISION CANNOT BE MADE WITHOUT HIGHER CLEARANCE. ALL ARE UNDER THE CONTROL OF WHAT THEY CALL 'THE KEEPER'; YET IT WOULD APPEAR THIS IS NOT THE FINAL SAY. THEREFORE, DEPENDENT UPON URGENCY, DELAYS OF AS LONG AS TWELVE TO FIFTEEN HOURS CAN OCCUR FOR A DECISION. HOW SHORT/LONG THIS TIME FRAME UNDER BATTLE CONDITIONS MAY BE, I DO NOT KNOW.<P>

"Because of this apparent control, INDIVIDUAL INSTANT-ANEOUS DECISION MAKING BY THE ALIEN IS LIMITED. IF THE 'PLAN' GOES EVEN SLIGHTLY OUT OF BALANCE OR CONTEXT, THEY BECOME CONFUSED. Faced with this, possibly, the humanoids would be the first to break and run.<P>

"The same applies to their Mission MASTER PLAN, if one can call it that. IF PUSHED OUT OF CONTEXT, IT WILL COME

APART -- THEY WILL BE EXPOSED TO THE WORLD SO THEY
WILL POSSIBLY RUN BEFORE THEY FIGHT IN THE OPEN.
THEY DEFINITELY DO NOT WANT THAT TO HAPPEN.<P>

"Psychologically, at present, their morale is down -- near disintegration. There is pronounced dissension in the ranks; even with the humanoids. Communication can encourage this (not necessity to expound upon this other than to say BECAUSE OF THEIR OWN INTERNAL VULNERABILITY MIND-WISE TO EACH OTHER, THEREIN LIES A PRIME WEAKNESS). Inter-echelon or individual 'trust' appears to be totally lacking so suspicion of each other is rampant. They are highly segregated as to levels -- a 'low' dare not conflict with a 'medium' or 'high' or it literally means death. Death being, to the humanoid, deprogramming or, in the end perhaps total physical death.<P>

"THEY APPEAR TO BE TOTALLY DEATH ORIENTED and because of this, absolutely death-fear oriented. THIS IS A PSYCHOLOGICAL ADVANTAGE. The computer also gives indications of a real possibility of adverse or 'ground programming'.<P>

"<STRONG>2)</STRONG> Consider their ships -- most if not all run on charge. The source depletes and so dependent upon size, depletion can occur from some within a week or less. Ships can replenish each other but only up to charge balance. This is done with antennae-like extensions and the charge is distributed observing

conservation of energy laws. THEY CAN REPLENISH FROM POWER LINES -- BUT AGAIN ONLY TO A POINT -- so time of flight is limited. Deprived of their base recharge capability, it is indicated that all ships will come down within six months to a year unless they can get transported out -- that is back to the prime launch ship.<P>

"The disks and saucers in general cannot fly in space because of their mode of flight <EM>(i.e. unless they are within an interplanetary or interstellar carrier' vessel - Branton)</EM>. Therefore, deprived of home base, it is not likely they can survive. THEIR CAPABILITY IN POWER SURVIVAL OUTLASTS THEIR CAPABILITY IN FOOD OR FORMULA SURVIVAL. IF THEY DO NOT GET THE FORMULA/FOOD WITHIN A CERTAIN PERIOD OF TIME THEY WILL WEAKEN AND DIE.<P>

"IN THE CASE OF MT. ARCHULETA AND SOUTH PEAK, THEY ARE DEPENDENT UPON THE NAVAJO RIVER FOR WATER SUPPLY AND WATER TO THEM IS TOTALLY LIFE. WITHOUT WATER THEY HAVE NO POWER; WITHOUT POWER, NO OXYGEN OR HYDROGEN TO SERVICE THE SHIPS AND WEAPONS. NO WATER TO SUSTAIN THE ORGANS AND FEEDING FORMULA <EM>(<STRONG>Note:</STRONG> We should also take into account the possibility of subterranean water sources. Also, if the base can be weakened by shutting off the supply-line of water, the 'formula', and so-on it might be wise -- for the sake of human 'prisoners' below -- to not wait until the base is too weak

as this might endanger these humans. We suggest that in addition to the strategies Bennewitz gives in this document, an all-out under-"ground" invasion force should also be considered, prepared to enter the base when it is at a specific 'weak' point, still considering the human captives - Branton)</EM>.<P>

"Simple? Not really. However, THERE IS A WATER INTAKE AND THERE IS A DAM UPSTREAM THAT CAN BE TOTALLY CUT OFF AND THE WATER RE-ROUTED TO CHAMA, NEW MEXICO. SHOULD THIS OCCUR, AT LEAST THREE OF THE INTERNAL BASES WILL GO DOWN. They could possibly go atomic periodically but obviously problems without cooling.<P>

"Once the bases are pressed on a large scale, all disks and saucers will go airborne immediately. TROOPS ON THE GROUND CAN GAIN TERRAIN COVER TO QUITE A DEGREE -- IT IS ROUGH TERRAIN.<P>

"<STRONG>3)</STRONG> OUR NEED IS FOR A WEAPON, workable and preferably NOT like the alien's. I believe unless the alien is caught unawares (with their screen up their weapons are equal so they are like children pillow boxing) there can be no result; THE WEAPON MUST PENETRATE THEIR SCREEN AND IT MUST ALSO PENETRATE THE GROUND. I BELIEVE I HAVE THAT WEAPON <EM>(<STRONG>Note:</STRONG> Was this suggestion of Bennewitz', for a ground 'penetrating' device, the original inspiration for the Los Alamos 'Excalibur' weapon? -- a nuclear device which was designed to

bore through the earth and destroy 'aliens' in their underground bases? - Branton)</EM>. Two small prototypes have been funded and constructed by my Company. Tests conducted to date indicate they do work and work rather well considering their small size. Because of this weapon's present status and proprietary nature (a basic patent is in process), the theory will not be explained here. However, the weapon appears to do two things at very low power. 1) The disks within it's range begin to discharge when exposed to the weapon beam. To counteract, they must apply more power and so doing consume power. Again conservation of energy laws strictly apply.<P>

"This effect can be observed on the detection instruments as they back away in response to slow discharge. DISCHARGE, AT LOW POWER IS SLOW BUT AT HIGH POWER IN THE FINAL SOPHISTICATED WEAPON, THE RATE CAN BE INCREASED BY MANY ORDERS OF MAGNITUDE. 2) MOST IMPORTANTLY, THIS WEAPON CAN PENETRATE THE SCREEN -- HULL ALLOY, EVERYTHING. They cannot shield it in any way. Lastly, BECAUSE OF THE IMPLANTS, THE WEAPON'S BEAM GETS TO THEM MENTALLY; THEY LOSE JUDGMENT AND INDICATE ALMOST IMMEDIATE CONFUSION, PARTICULARLY THE HUMANOIDS.<P>

"It is believed at this early stage -- based upon present testing, that the weapon when full on and full size will kill and bring down disks at substantial range. The alien weapons operate substan-

tially the same as their disks using a charge source and charge distribution. So, in the same sense it is indicated that this weapon design will pull their charge weapons down very rapidly. <P>

"The range of my weapon exceeds that of their present weapons and in its most sophisticated form can be readily computer controlled to allow extremely rapid tracking and lock-on regardless of speed along with electronic wobbulation of the beam. IT IS A BEAM WEAPON and even at this early stage of miniature prototype testing and development, it indicates EVENTUAL superiority to their weapons.<P>

"<STRONG>4)</STRONG> Initial logistics would indicate a plan sequentially implemented as follows: This plan DOES NOT INCLUDE ALL REQUIREMENTS AND PREPARATORY SAFETY MEASURES TO BE EMPLOYED BY GROUND FORCES; HOWEVER, IF AIR FORCE INTELLIGENCE DESIRES TO PURSUE THE APPROACHES SUGGESTED IN THIS REPORT, EACH SIGNIFICANT REQUIREMENT WILL BE DISCUSSED IN DEPTH.<P>

"AN ATTACK MUST BE DIRECTED NEAR ENTIRETY ON THE GROUND FOR OBVIOUS REASONS. One would, if familiar with the alien capability, indicate that vehicle ignition problems will be encountered. This is precisely true; however, the reason for this is not mysterious but is based upon good solid laws of physics and are known. (From) experience gained through my study, it is now known how to prevent this from

happening and will be discussed in detail at some later date. All electrical and electronic equipment must be 'hardened' using these specific techniques prior to implementation. Because of the known capability of the alien (by use of scanning beams to know in advance details of planning) only the initial outline is presented in this report.<P>

"Again through the communicative interaction <EM>(computer-linked 'interrogation'? - Branton)</EM> with the alien, testing has simultaneously been done upon this facet, i.e. eavesdropping and ways to abort this capability have been tested and proven.<P>

"The program would be instigated in phases. The first phase -- planning and logistics -- would include continued implementation and testing of the final weapon prototype through the pre-production stage. Production of at least fifty minimum quality should be planned. Additional backup spares should also be included.<P>

"On a full time shift basis, it is estimated that at least one year or less would be required to arrive at the pre-production stage. A team would be organized by THUNDER SCIENTIFIC to accomplish this. The key work is now and would be done by an associated company, BENNEWITZ LABS., LTD.<P>

"Specific attack phases would be incorporated:<P>

"<STRONG>1)</STRONG> The first procedure would be TO CLOSE THE GATES OF

THE DAM ABOVE THE NAVAJO RIVER. THIS DAM WOULD BE
HELD CLOSED FOR THE DURATION. INTERNAL TO THE ONE
CAVE, THERE IS A SMALL DAM FOR WATER STORAGE. It's
capacity is small. THERE IS ALSO A DISCHARGE OUTLET
DOWNSTREAM THAT COULD BE CLOSED CAUSING WASTE
WATER TO BACK-UP INTO THE CAVES. THE WATER IS
VACUUM PUMPED APPARENTLY BY SOME ELECTROSTATIC
MEANS FROM THE RIVER. At close range, the weapon will take
out this capability.<P>

"<STRONG>2)</STRONG> Once deprived TOTALLY of water for a minimum period of four weeks, conditions in the alien bases under discussion will have badly deteriorated. PSYCHOLOGICAL SHOCK IS EXTREMELY EFFECTIVE WITH THE ALIEN; total advantage can be taken by instantaneous action or planned observable deviation from the norm. AT LEAST THREE BASES WILL GO DOWN.<P>

"<STRONG>3)</STRONG> If they follow their normal strategic pattern as when pressed previously, they will launch most if not all ships.<P>

"<STRONG>4)</STRONG> Prior to the implementation of water deprivation, the weapons should be deployed at strategic hardened locations and activated in a certain pre-planned manner determined by final weapon coordinate locations.<P>

"<STRONG>5)</STRONG> This will put an immediate power drain upon those airborne

and the alien weapons ringing their bases.<P>

"<STRONG>6)</STRONG> Because of the inherent psychological aspect of the alien

<EM>(does Bennewitz refer to the Grays in the singular, in that the aliens

operate in one 'collective conscious'? - Branton)</EM>, much can be

done in the open with no attempt to preserve secrecy. Much of

what is done can be of a diversionary nature. UNDER MOST

CIRCUMSTANCES THEY WILL ATTEMPT TO HARASS BUT

WILL NOT OPENLY ATTACK <EM>(They are more into "Mind" warfare

than Material warfare, although they have used physical weaponry

when pushed into a corner -- as in airborne assaults against their

craft or ground assaults against their bases. Apparently they

would prefer to take control of a world without the trouble of risking

the loss of machinery and personnel - Branton)</EM><P>

"<STRONG>7)</STRONG> Throughout and prior to this, the open computer communica-

tions link will be operational for continued PSYCHOLOGICAL

INTERROGATION.<P>

"<STRONG>8)</STRONG> At some point in time -- again resting upon battle status,

THE DEPLOYMENT OF OFFENSIVE FORCES WILL BEGIN.

This deployment should be done in a near instantaneous manner

under certain special conditions that can be discussed.<P>

"<STRONG>9)</STRONG> The weapon system should be kept powered up throughout.

In this manner, the disks will be made to stay airborne. They

cannot land in the interval the system is powered.<P>

"<STRONG>10)</STRONG> When the weapon is used in one specific power mode, in

addition to continuous discharge on the disks that are airborne and

the ground based weapons, THE MIND CONFUSION AND DIS-

ORIENTATION WILL BUILD IN THOSE PERSONNEL AT THE

BASE AND UNDERGROUND. At the end of four to five weeks or

less, all weapons should be totally discharged and power out on

the bases. Most personnel if not all, will be totally incapacitated.

THE FEEDING FORMULA WILL BE DOWN AND IT'S CRITICAL

PROCESSING RUINED. ALL (alien) EMBRYOS SHOULD BE

DEAD AND ALL HYDROGEN AND OXYGEN CONSUMABLES

DEPLETED. <EM>(<STRONG>Note: </STRONG>This is of course speaking in 'conventional'

warfare terms, however one must balance this by taking into

account the spiritual-supernatural aspects of the conflict as well,

being that this is a psycho-spiritual as well as a conventional

conflict. Also, if the extent of the base is much deeper and wide-

spread then previously believed -- via interconnected caverns and

shuttle terminals -- then these facts should be brought into the

scenario as well. For instance the 'aliens' might escape through

the 'tubes' to other installations. Even if this occurs this major

base can be conquered fully by human [Evadamic] forces, from

whom the 'draconians' apparently took 'control' of it in times past.

For instance, Hopi-Apache activist Robert Morningsky says that

his people were driven FROM the caves centuries ago by the

invading "children of the reptile" - Branton)</EM><P>

"<STRONG>11)</STRONG> Based upon data gathered on the miniature prototype weapons, the full power weapons should have no problem holding off the disks. In many cases some will break within the first forty-eight hours without being directly hit.<P>

"<STRONG>12)</STRONG> At that point, standard weapon technology and logistics can come into play and (be) used to the extent of destruction desired at the direction of those in charge.<P>

"<STRONG>13)</STRONG> The communications can be used throughout to determine status and near the end to attempt to instigate surrender. If no response results, then they should simply be closed in and waited out.<P>

"<STRONG>SUMMARY</STRONG> -- It is important to note that the initial implement-ation of the computer communications WAS NOT INSTIGATED FOR THE PURPOSE OF TALKING TO THE ALIEN FOR THE 'FUN OF IT'; BUT WAS DELIBERATELY INSTIGATED TO USE AS A TOOL TO STUDY, IN DEPTH -- LONG TERM WITHOUT PHYSICAL CONFRONTATION -- THE STRENGTHS AND WEAK-NESSES OF THE ALIEN.<P>

"The weapon theory and prototypes were built to capitalize

upon and test two KEY and prominent weaknesses discovered.
This in-house funded program has been expensive, in excess of
$200,000; done ON BEHALF OF OUR NATION and handled in the
best representative manner humanly possible.<P>

"<STRONG>1)</STRONG> The PRIME and weakest area discovered, probed and
tested is exactly what they have used thinking it is their key
strength - that being, THE MANIPULATION OF AND CONTROL
OF THE MIND; NOT ONLY OF COMMAND BUT ALSO HUMAN-
OID. MANIPULATED IN REVERSE PSYCHOLOGICALLY AND
BY THE LANGUAGE (COMPUTER) AND DUE TO THE EXTREME
OF MENTAL DISTORTION AND INCAPACITY CAUSED BY THE
WEAPON, IT HAS BEEN FOUND THAT THIS FACET IS FOR
THEM A DISASTER AND A DIRECTLY VULNERABLE INTE-
GRATED WEAKNESS.<P>

"<STRONG>2)</STRONG> Though their ships are magnificent, they are also weak
-
solely BECAUSE of their method and unique mode of flight. They
do not have a stable fighting platform <EM>(<STRONG>Note:</STRONG> The
effectiveness of
stable-flying conventional jet craft ARMED with high-tech beam
weaponry has been confirmed by the 'South African Incident'
described elsewhere -- if in fact that event was a true account.
However we MUST realize that there are 'human' as well as 'alien-
sauroid' occupied UFO-type craft in the atmosphere, and the
PROBLEM would be our ability to determine whether these craft
are friends or foes! - Branton)</EM>. Charge distribution CAN also be

discharged. The weapon does this - even in it's present miniature

prototype state.<P>

"IT IS NOT THE PURPOSE OF THIS REPORT TO IMPLY THAT THE OVERALL PROBLEM WILL BE SOLVED WITH THE

CAPTURE OF THESE BASES. Obviously IT WILL NOT, but it is

a firmly based beginning with a high degree of rated projected

success ratio. IT IS NOT INTENDED TO IMPLY THE ALIEN WILL

NOT FIGHT; THEY MAY - THOUGH THEIR INCLINATION IS

GENERALLY THE OPPOSITE - THIS BASING AREA IS KEY!

WITHOUT IT, THEIR MISSION IS IN VERY DEEP (TROUBLE)..."<P>

<EM>(<STRONG>Note:</STRONG> The copy of the document on which the above quotations

were based was missing the first 8 and last 2 pages).

</EM> <P>

Relative to the above, LEADING EDGE RESEARCH released

the following synopsis of 'THE DULCE PAPERS':<P>

"The Dulce papers were comprised of 25 BLACK AND WHITE

PHOTOS, A VIDEO TAPE WITH NO DIALOGUE and a set of

papers that included technical information of the allegedly jointly

occupied (U.S.-Alien) facility 1 kilometer beneath the Archuleta

Mesa near Dulce, New Mexico. SEVERAL PERSONS WERE

GIVEN THE ABOVE PACKAGE FOR SAFE KEEPING. Most of

those given the package were shown what the package contained

but were not technically oriented and knew very little about what

they were looking at. The following is written by ONE OF THESE PERSONS about what the papers contained. This person described the scenes that the video tape showed... What you see is what you get; I can't decipher what is written or drawn anymore than you can. I pass these papers on only in the interest of getting to the truth. (From) other information I have, I believe the information herein is true. I believe the facility exists and is CURRENTLY OPERATIONAL. I also believe that there are 4 ADDITIONAL FACILITIES OF THE SAME TYPE, ONE LOCATED A FEW MILES TO THE SOUTHEAST OF GROOM LAKE, NEVADA. What is the truth? Only God, MJ-12 and the aliens know for sure.<P>

"Dulce papers: Lots of papers-documents that discuss COPPER AND MOLYBDENUM, also papers about MAGNESIUM AND POTASSIUM, BUT MOSTLY ABOUT COPPER. Lots of 'MEDICAL TERMS' that I don't understand. A sheet of paper with charts and strange diagrams. Papers that discuss ULTRA VIOLET LIGHT AND GAMMA RAYS. Papers that discuss COLOR AND BLACK AND WHITE AND HOW TO AVOID DETECTION THROUGH USE OF CERTAIN COLORS. In addition to these papers THERE ARE ABOUT 25 PICTURES, BLACK AND WHITE, PLUS ONE VIDEO TAPE WITH NO DIALOGUE, ALL TAKEN INSIDE THE DULCE FACILITY. THESE PAPERS TELL WHAT THE ALIENS ARE AFTER AND HOW THE BLOOD (TAKEN FROM THE COWS) IS USED. Aliens <EM>(i.e. REPTILIANS or SAUROIDS - Branton)</EM> seem to absorb atoms to 'eat'. ALIENS PUT HANDS 'IN BLOOD', SORT OF LIKE A SPONGE, FOR

NOURISHMENT. IT'S NOT JUST FOOD THEY WANT, THE
DNA in cattle and humans is being altered. THE 'TYPE ONE'
CREATURE IS A LAB ANIMAL. 'THEY' <EM>(again, the SAURIOIDS -
Branton)</EM> KNOW HOW TO CHANGE THE ATOMS TO CREATE A
TEMPORARY 'ALMOST HUMAN BEING' <EM>(MIB-like? - Branton)</EM>. IT
IS MADE WITH ANIMAL TISSUE AND DEPENDS ON A COMPU-
TER TO SIMULATE MEMORY, A MEMORY THE COMPUTER
HAS WITHDRAWN FROM ANOTHER HUMAN BEING. THE
'ALMOST HUMAN BEING' IS SLIGHTLY SLOW AND CLUMSY.
REAL HUMANS ARE USED FOR TRAINING, TO EXPERIMENT
AND BREED WITH THESE 'ALMOST HUMANS'. SOME
HUMANS ARE KIDNAPPED AND USED COMPLETELY (EVEN
ATOMS). SOME ARE KEPT IN LARGE TUBES, AND ARE KEPT
ALIVE IN AN AMBER LIQUID. SOME HUMANS ARE BRAIN-
WASHED AND USED TO DISTORT THE TRUTH. CERTAIN
MALE HUMANS HAVE A HIGH SPERM COUNT AND ARE KEPT
ALIVE. THEIR SPERM IS USED TO ALTER THE DNA AND
CREATE A NON-GENDER BEING CALLED 'TYPE TWO'. That
sperm is grown some way and altered again, put in large wombs,
many destroyed, certain are altered again and then put in separate
wombs. THEY RESEMBLE 'UGLY HUMANS' WHEN GROWING
BUT LOOK NORMAL WHEN FULLY GROWN WHICH TAKES
ONLY A FEW MONTHS FROM FETUS SIZE. THEY HAVE A
SHORT LIFE SPAN, LESS THAN A YEAR. SOME FEMALE
HUMANS ARE USED FOR BREEDING. COUNTLESS WOMEN
HAVE HAD A SUDDEN MISCARRIAGE AFTER ABOUT 3
MONTHS PREGNANCY. SOME NEVER KNEW THEY WERE

PREGNANT. Others remember contact some way. THE FETUS
IS USED TO MIX THE DNA IN TYPES ONE AND TWO. THE
ATOMIC MAKEUP IN THAT FETUS IS HALF HUMAN, HALF
'ALMOST HUMAN' AND WOULD NOT SURVIVE IN THE
MOTHERS WOMB. It is taken at 3 months and grown elsewhere."<P>

In a letter dated Sept. 1990, written by Thomas Castello and addressed to researcher 'Jason Bishop', the former Dulce Base security officer stated:<P>

<BLOCKQUOTE> "...The room for (the electro-magnetic) generator is nearly 200 feet diameter. This circular room covers the fifth and sixth levels (extreme westsouth wing). Here, is the intense magnetic generator. There is a 'buffer area' made of ceramic and Latex that is four feet thick, in all directions. There (are) five entrances (plus an escape trap door on the sixth floor) on each floor. Each portal has double door (one at the out-side of the buffer and one at the inside of the buffer). The security is severe. Armed guards patrol constantly, and in addition to weight sensitive areas there (are) hand print and eye print stations. No one under ULTRA 5 clearance is allowed near the portals. Here, is the device that powers the transfer of atoms. No information is available to personnel with ULTRA 7 or less. (I was ULTRA 7)"

William F. Hamilton adds yet another detail in his book

'COSMIC TOP SECRET' (p. 109): "...According to Thomas, the alien androgynal breeder is capable of parthenogenesis. At Dulce, the common form of reproduction is polyembryony. Each embryo can, and does divide into 6 to 9 individual 'cunne' (pronounced cooney, i.e. siblings). The needed nutriment for the developing cunne is supplied by the 'formula,' which usually consist of <EM>(blood? - Branton)</EM> plasma, deoxyhemoglobin, albumin, lysozyme, cation, amniotic fluid and more." <EM>(<STRONG>Note:</STRONG> Christa Tilton described '...strange vats filled with eerie liquid...where aliens are being grown.' She stated that there were: 'dozens of creatures in each womb. Can't count tanks, maybe SCORES or HUNDREDS... womb submerged in sort of yellow liquid. Looks thicker than water. Creatures float in amber colored water. Womb is greyish...' The creatures or embryos being bred were 'not human', had bluish-grey 'resilient' skin, and possessed 'three fingers' and 'two toes'. She confirmed that parts of human bodies may be used in the 'fluid'. She says that they used her to breed a human-like child [or children] who is being held prisoner in the underground base. - Branton)</EM><P>

Researcher Jim Bennett, in a letter to Jacques Vallee dated Jan. 15, 1992 stated the following (It is our belief that even if there is a Fascist-CIA cabal trying to establish a world dictatorship using the 'threat' of an alien invasion to foment world government, that the 'threat' may be real all the same. It is possible that the Illuminati may be working with very real ALIENS in an end-game designed to

establish a world government using this 'threat' as an excuse to do so, although when the world is under 'their' control the serpent cults may betray the human race by turning some global government controls over to the reptilians [the Beast?], which assisted the Bavarians in carrying out their despotic plans in the first place):<P>

"...1947 brought the passage of the National Security Act, the start of the NAZI GERMINATED CIA and NSA. The influx of at least a hundred Nazi scientists, engineers, etc., into the United States and Canada. A Nazi aeronautical engineer, a certain Herr Mieth -- who had designed four different types of saucer shaped craft by 1943 using either rocket power or DONUT CONFIGURA-TION jet turbine engines (rather than cylindrical), with the cabin stabilized by gyro, the compressors rotating in one direction and the expansion chambers and vectored exhausts rotating in the opposite direction -- was traced to Canada in 1947 and began work for the A. V. Roe company (Avroe disk). The phony AVROE 'aircar' was definitely to disinform the press as to the real projects underway underground in Canada.<P>

"The eight mile long train that went out of Austria in 1945 (672 train cars!), to the coast of Brittany, the contents loaded on board SHIPS, eventually end(ed) up underground in Southwestern Canada. At the same time over 100 prefab factory buildings were shipped from England to British Columbia.<P>

"...the Nazis had everything before any other country, they had

radar in 1933, they had infra-red sensors, heavy water, etc., etc. We have been told lie after lie in terms of who invented these things. If anyone in the world had access to 'alien' technology it was the...'Aryans' (Nazis). Their metallurgy and casting were flawed or they would have conquered the world. As you probably know, many expatriot Nazis were given carte blanche, new I.D.'s., and were included in (the) startup of more than several departments of the CIA in 1947. Departments including 'genetics and cloning' (with some of the same 'doctors' who had given death camp residents gangrene, etc.) 'designer drugs and mind control' using the same scientists who had designed Methadone and Methedrine for Hitler's maniac efforts. In 1952, a public stir caused the CIA to shuffle these fab fellows out of town. My guess is to various underground centers that were being built. <P>

"...I have talked to Paul Bennewitz at length, several times. On his behalf, you only tell people how they drove him nuts, not why. I ask myself why would you leave out that reason why they sent him reeling? <EM>(here Bennett is addressing Jacques Vallee concerning his book 'REVELATIONS' - Branton)</EM> To fill you in, because you obviously took Linda Howe's and Tracy's opinion rather than questioning Paul directly; he's a pilot, he flew over the Dulce area numerous times on his way between Albuquerque and Denver. He took many pictures of the construction going on, and according to Paul, he also took pictures of circular craft on the ground at this site which, as late as 1973, according to him, had large hanger doors much the same as Lazar's second hand explanation about

the doors at S-4. (All the stuff from area 51 and 'S-4' having to do with inertial mass cancellation was moved TO AN AREA NEAR ST. GEORGE, UTAH). The most revealing photos and their negatives disappeared in about 1975 when various 'fringe UFO experts' visited Paul. Also, his house was burglarized and ransacked more than once. In later years Moore, Shandera, and Torme made a meaningless tour of Dulce when they went on to Albuquerque (the real reason for their travels) to see if there was any more evidence of serious consequence still in Paul's possession that they could grab, and sure enough, he was missing some photos when they left his house. If you even talked to Bennewitz, you would have gotten a lot closer to having a 'revelation'. But by listening to what Linda has to say about Bennewitz, you might as well call your book 'Heresy'...<P>

"The 'waste' from the underground bio-genetic lab (no aliens involved, although that is where we humans produce the short lived, big-eyed, big headed imitation 'aliens') comes out in the river canyon about TEN MILES BELOW Navajo Dam <EM>(<STRONG>Note: </STRONG>An alternative scenario to the above would be that saurioid 'aliens' ARE involved, AS WELL AS genetically constructed beings developed by the serpents cults, or the Bavarian Illuminati scientists working in the Dulce facility - Branton)</EM>... Although these days they 'treat' it a lot more before letting their 'grey' water back into the environment. This base and others are of course connected by tunnels to Los Alamos. The Archuleta Mesa installation rivals Pine Gap at Alice Springs, Australia for security, etc. Every U.S. Air Force

base has a so-called 'bolt-hole' and is connected to this bolt-hole by tunnel... <P>

"A group of 21 people led by an individual we will call Rick, went to area 51 in 1989 in a small bus to watch 'saucers'. They were stopped on 'mail-box road' by two individuals carrying automatic weapons and wearing camouflage togs. One individual popped a can of 'gas' in the aisle of the bus, and that's all for three hours. When they came to their senses, they cut their trip short, returned to L.A. and five persons got separately regressed using hypnotic regressors that did not know one another, and found that during the lost time their memories had repressed similar events. They had been marched off the bus, taken in jeeps to a building nearby, and had their lives threatened by military personnel...<P>

"In the U.S., the group that runs the 'alien abduction scam' can only use some of the hardiest of these short lived bio-genetic bad luck stories. Short lived because they have no digestive tract and can survive only about two weeks maximum after they are removed from the growing matrix, then they deteriorate and die. They have no 'soul' and are not considered 'sentient beings' by Tibetan Buddhists." <EM>(<STRONG>Note: </STRONG>One would ask, why would they bother? The REPTILIAN Grays ['cloned' branch -- although there are also the 'polyembryons' and 'egg-layers'] reportedly have no digestive tract and thus intake 'food' and excrete waste through the skin. Jim Bennett may have just assumed that, since they have no digestive tract, they were government creations which died after two weeks

of starving. We grant however that Bennett is right -- according to the DULCE PAPERS -- that human and cattle DNA may be used to develop "Almost Humans", and other unnatural living forms - Branton)</EM><P>

"...The army's mind control unit must take well deserved credit for the veterans who seemingly go suddenly crazy, killing many people and then themselves. The most recent event in Killeen, Texas was planned for the day BEFORE a Congressional vote on gun control, hoping to influence Congress with yet another mass automatic killing. Handlers (psychiatrists) at each perpetrators's local Veterans Hospital are involved in each and every case of these mass killings/suicides. Prozac is also involved with each case having been prescribed by the aforementioned 'handlers' in each and every case. The fellow in Canada who killed 12 women at a women's college, the fellow in Stockton, California schoolyard, etc. etc..."<P>

According to Val Valerian, newspaper accounts in the state of New Mexico in the years before the beginning of World War II indicated that the Germans were "all over" the state exploring caves and mines, buying up land, and engaging in other activities suggestive that they were preparing for something big. Could this have had some connection with the underground sub-net beneath New Mexico, particularly the Dulce facility near the 4-Corners area?<P>

Some sources indicate that Aryan or Nazi activity might have a part in the scenarios taking place BELOW the Nevada Military complex, although possibly not a major part. It is said that there is a Nazi saucer base near Reno, and at least one individual reported that he was approached by a man who was tied-in with a group of (ex?) Nazis who were now at odds with the Grays, although they still used the swastica on their craft, etc. Other sources claim that the main "Nazi" fleet in Antarctica is still in collaboration with the reptilian Grays and that they are working with the aliens in a joint effort to control the minds of influential persons from all nations via abduction and implantation. Also other sources indicate that Germans occultists themselves were involved in 'alien' things long before the rise of the Nazi Party. One source accuses them of sabotaging early expeditions to the North Pole, as if there were something there that they were trying to hide.<P>

Could they have been trying to hide a secret city populated by a race of ancient hi-tech Germanic-Aryans like the one described by Dr. Harley Byrd? John Lear stated that such 'aliens' backed Hitler's effort -- by suggesting that he kill off a few million people in a war, apparently as part of alien 'concerns' about overpopulation. Harley Byrd claims that his uncle did meet with ancient Germanics during one of his post-World War II South Polar expeditions, and that they expressed concern over America's military might and especially it's nuclear weapons. Just how this may have played-in with Byrd's reputed military engagement with entrenched Nazi forces during OPERATION HIGHJUMP is uncertain. The master of

the city that Byrd allegedly found "beyond" the South Pole referred to their craft as "flugelrads" (which is an ACTUAL German word meaning "wing-wheel". Could these "flugelrads" be the so-called "Adamski" or "Venusian" type craft?). The "master" also expressed concern over incidents in 1945 when American fighter jets fired on their craft. At that time, of course, America was on edge and suspicious of anything unusual in the skies. For all they know the UFO's could have been a "Nazi" secret weapon. Although the "Aryanni" may not have condoned Hitler's genocidal policies -- or did they? -- they certainly did little or nothing to discourage them. These "Aryanni" -- possibly tied-in with the Aryans who intruduced Hinduism to ancient India -- actually bid Byrd and his radioman farewell with the words "AUF WIEDERSEHEN!!!!" <P>

Dr. Harley Byrd, in an interview featured in the FALL, 1993 issue of FAROUT magazine titled "Harley Byrd; From Dreamland to the Center of the Earth" by Jim Brandt, said that his famous uncle "went down into the intercontinents where he sat down with who he called the FUGELRODS, blonde people who we're finding out now are the lost Aryan race, the super race... they took him into an inner chamber and he met with a lot of aliens." Some mentioned were SASQUATCH people, DRACOS, GRAYS, and "HUMANOID PEOPLE from (the) PLEIADES". Being that the Pleiades cluster consists of over 200 stars, it is possible that some of them would reject NON-INTERVENTIONISM and ally themselves with other INTERVENTIONIST species such as the serpent races.<P>

One unusual theory is that planet Earth may actually be a geoditic sphere, being hollow within and with funnel-like openings at the poles. The Nazi's who escaped Germany supposedly enter and interact with the 'hollow earth Aryanni' from their secret bases below New Schwabia, Antarctica. It is interesting that native American contactee Paul Solem claims contact with beings who say that they are descended from the 'Lost Tribes of Israel'. Their ships reportedly appeared en masse over the Hopi Indian reservation years ago -- inciting a division between the Hopi contemporaries and the Hopi traditionals. Since the Apocryphal book of II Esdres [ch. 13] says that the Lost Tribes went BEYOND a far northern country called "Arzareth" which had never been colonized by man, could "they" have passed through the northern vortex into the theorized inner concavity? And if so, are they in conflict or at peace with the "Germanic-Aryans" who dwell in the southern concavity? As we've said, much of this is merely speculation, at least until new evidence turns up which can confirm or refute some, most or all of the above.<P>

Another possible confirmation of a Nazi-UFO connection comes from W. A. Harbinson, who in his book 'GENESIS' (Project Saucer, Part II)., -- Dell Books., 1980., -- reveals some remarkable information about top-secret German developments in 'flying disk' technology during World War II. The bulk of his book, although based on the authors' own research into the subject, is admittedly written in fiction or novel form. However, near the end of the book,

aside from an extensive bibliography of Nazi-saucer-research literature, Harbinson adds an appendix containing many actual facts concerning the German-saucer experiments around which he built his novel.<P>

According to Harbinson, one of the most dangerous leaders of the Nazi Party and founder of the Order of the S.S. (an organization that was admittedly based after the militant structure of the Jesuit Order, which supplied it's own advisors for the S.S. movement according to Himmler -- see: THE SECRET HISTORY OF THE JESUITS, by Edmond Paris., c/o Chick Publications., P.O. Box 662., Chino, CA 91710), Himmler, was initially involved with the 'saucer' projects. These projects were allegedly carried out in top-secret underground 'factories' or installations.<P>

In his novel Harbinson, based on various hints and indications that he gathered throughout years of in-depth research, concludes that Himmler desired to establish a 'New Order' which involved an elite society of 'pure bred' Aryans; vast underground facilities constructed within hollow mountains; secret interconnected colonies based entirely on the pursuit and development of science and technology as a means to bring about the 'New Order', yet rooted in occult societies and philosophies such as Theosophy and Rosicrucianism which taught of the imminent resurrection of the lost Atlantis and Lemuria; massive projects involving the study of the brain and how to manipulate it -- including electronic implant technology whereby the envisioned subterranean master-slave

colonies could be operated; the use of hundreds of thousands of sub-human slaves (or rather those whom the Nazi's supposed to be sub-humans and who they believed were inferior to the 'master race', themselves), controlled by 'implants' and other mind control techniques, who would be used as slave laborers -- these including the Poles and Chzeks. These would be taken to the concentration camps (where massive mind control and brain-related experiments were being carried out) after their usefulness had worn out, where they would be killed so as not to reveal to the outside world their knowledge of the underground facilities, etc. <P>

Harbinson's scenario also includes the alleged development of a blond-haired/blue-eyed race which would be integrated with the S.S. and the subterranean societies as the masters, whereas the sub-humans would be the slave-workers; and so on.<P>

Harbinson presumes that there are indications that many of the slave-laborers used to build the 'underground cities' were among the many who mysteriously 'disappeared' during the war years. Also, he concludes that German men, women, and children who were deemed suitable for the breeding experiments were abducted as well. Harbinson also gives in his postscript section many remarkable evidences that all during the war Hitler was sending out expeditions to Antarctica where they discovered vast areas of iceless terrain beneath the Queen Maud Land region, and began constructing huge underground bases. All during the war, as the 'saucer' projects were progressing and as new components were

developed, the new components were allegedly shipped via U-Boat to the secret Antarctic base, where saucer research and development continued. <P>

As the Allies continued to encroach upon Germany, the saucer program (directed by genius scientists -- one or two of which allegedly equaled or even surpassed Einstein) continued at a maddening pace. At least one prototype disk or flying airfoil -- capable of speeds of over 1000 MPH and altitude climbs of up to 40,000 feet -- was successfully flown and later stripped of the most important saucer components and the shell destroyed, along with the underground facility at Kahla where it was built, so that they would not fall into the hands of the Allies. As the war was coming to a close, American and Russian as well as British forces began to overcome German forces and discovered many of the underground saucer and aerospace research factories, where they apprehended many of the lesser components, documents and scientists (von Braun, Schauberger, etc.), who later became the basis of the rocket and even 'saucer' projects which were later implemented in Canada, the U.S. and other countries. These have not been able to catch up with the German/S.S./New Order/Hidden Society technology until just recently, if we are to believe the reports coming out of the Nevada Aircraft Test Site (Nellis AFB, Nuclear Test Site, Groom Lake, etc.) of advanced disk-craft being flown by the Military. <P>

This German secret society hidden in Antarctica, as well as below certain parts of South America and other countries according

to some sources, apparently was and is a branch of the Third Reich, the very same forces the Allies fought during the war (and, some allege, following the war as well).<P>

The documents, minor components, etc., which survived, as well as those scientists apprehended by the Allies, were of far less 'importance' than the components, plans, diagrams and scientists which allegedly escaped to the top-secret Antarctic base. One source claims that as many as 2000 S.S. [scientists and "breeders" included] and 1,000,000 Germans mysteriously disappeared during World War II and ended up in the top secret underground bases below New Schwabenland/Queen Maud region of Antarctica. <P>

When the Nazi's realized that the invasion by the Allies was imminent, they knew their fate was sealed as a nation, but the secret core involved in the sophisticated aerospace-disk research nevertheless had time to escape before the Allies reached Berlin. According to Harbinson (as well as certain post-war records and other sources including quotes from captured German scientists and other researchers), as Berlin was being bombed top-secret saucer components and plans for massive underground facilities, etc., were moved by train transport to the Baltics and loaded onto two German U-Boat submarines, the U-530 and U-977. These U-Boats were allegedly taken from their docking-sites in the Baltics and to the Antarctic base, and unfounded rumors state that Hitler and Boorman may have escaped to Antarctica on these.<P>

Previously we referred to the DRACO, an alien species that was reportedly encountered by Admiral Richard E. Byrd as well as former head of Dulce Base Security Thomas Edwin Castello.<P>

What may well have been the most notorious of all 'scares' involving these reptilian beings, according to researcher John Keel, involved a combined 'invasion' of pterodactyloid-hominoid 'Mothmen' (Winged Draco) AND 'Men In Black'. These creatures have been referred to as the Mothmen, Winged Dracos, and Winged Serpents, depending on the source involved. They reportedly terrorized a particular area in West Virginia, according to John A. Keel, in the mid-1960's. Keel is convinced that these malevolent entities were involved in the tragic 'silver bridge' disaster in which several UFO witnesses and hundreds of locals perished, this conclusion being based on certain strange circumstances surrounding the event. In his book 'THE MOTHMEN PROPHECIES' (Signet Books., N.Y.) Keel reveals the following:<P>

<BLOCKQUOTE> "...According to her story, Connie (Carpenter), a shy, sensitive eighteen-year-old, was driving home from church at 10:30 A.M. on Sunday, November 27, 1966, when, as she passed the deserted greens of Mason County Golf Course outside New Haven, West Virginia, she suddenly saw a huge gray figure. It was shaped like a man, she said, but much larger. It was at least SEVEN FEET TALL and very broad. The thing that attracted her attention was

not its size but its eyes. IT HAD, SHE SAID, LARGE, ROUND, FIERCELY GLOWING RED EYES THAT FOCUSED ON HER WITH HYPNOTIC EFFECT. <P>

"'It's a wonder I didn't run off the road and have a wreck,' she commented later.<P>

"As she slowed, her eyes fixed on the apparition, a pair of wings unfolded from its back. They seemed to have a span of about ten feet. It was definitely not an ordinary bird but a MAN-SHAPED THING which rose slowly off the ground, straight up like a heli-copter, silently. Its wings did not flap in flight. It headed straight toward Connie's car, its horrible eyes fixed to her face, then it swooped low over her head as she shoved the accelerator to the floor-boards in utter hysteria.<P>

"OVER ONE HUNDRED PEOPLE WOULD SEE THIS BIZARRE CREATURE THAT WINTER.<P>

"...North American Indians have extensive legends about the Thunderbird, a huge bird said to carry off children and old people. It was accompanied by loud noises, hums, buzzes and, apparently rumbles from the infrasonic and ultrasonic levels. Known as <EM>(the dragon-like - Branton)</EM> PIASA to the Indians of the Dakotas, it was supposed to have terrifying red eyes and a long tail..." a monstrous demon with "bat's wings, and a body closely in human form."
</BLOCKQUOTE> <P>

Many of these so-called 'Mothman' sightings occurred near some old concrete domes or buildings which led to several miles of (now sealed) underground tunnels which were used during World War II to store explosives. It was known as the TNT area and John Keel reports that at one particular spot he felt an almost physical sense of "terror" which left when he walked out of the "circle". This induced terror was reported by many witnesses, and at least one of the pterodactyloid creatures reportedly disappeared into one of the dome-entrances in the TNT facility after being chased by curious witnesses, who searched the dome but could find no sign of the creature.<P>

"...At 7:15 A.M. on November 25, a young shoe salesman named Thomas Ury was driving along Route 62 just north of the TNT area when he noticed a tall, gray manlike figure standing in a field by the road. 'Suddenly it spread a pair of wings,' Ury said, 'and took off straight up, like a helicopter.<P>

"'It veered over my convertible and began going in circles three telephone poles high.'<P>

"He stepped on the gas as the creature zoomed down over his vehicle. 'It kept flying right over my car even though I was doing seventy-five.'<P>

"Mr. Ury sped into Point Pleasant and went straight to the

sheriff's office thoroughly panicked. 'I never saw anything like it,' he confided to Mrs. Hyre later. 'I was so scared I just couldn't go to work that day. The thing had a wingspan every bit of ten feet. It could be a bird, but I certainly never saw one like it. I was afraid it was going to come right down right on top of me.'<P>

"The old familiar symptom, unreasonable terror, took hold of him. 'I've never had that feeling before. A weird kind of fear,' he said. 'That fear gripped you and held you. Somehow, the best way to explain it would be to say that the whole thing just wasn't right. I know that may not make sense, but that's the only way I can put into words what I felt.'<P>

John Keel related still other incidents of encounters with these fearful pterodactylons...<P>

"'Look at that crazy character coming downwind in that plane,' Eddie Adkins commented. He and four other men were standing on the field of the Gallipolis, Ohio, airport, just across the river from Point Pleasant on Sunday, December 4, 1966.<P>

"At 3 P.M. that afternoon a large winged form came cruising majestically along the Ohio River, just behind the airport. The pilots later estimated that it was about three hundred feet in the air and was traveling about seventy miles an hour. As it drew closer they realized it was not a plane but was some kind of enormous bird with an unusually long neck. It seemed to be turning its head from

side to side as if it were taking in the scenery <EM>(<STRONG>Note:
</STRONG>Scientists

believe that the saurian-reptilian pterodactyls used their heads and

neck as a 'rudder' while in flight, moving them from side to side

constantly as a means of maintaining flight - Branton)</EM>. The wings

were not flapping.<P>

"'MY GOD! IT'S SOMETHING PREHISTORIC!' one of the men

cried.<P>

"Everett Wedge grabbed his camera and sprinted to his small

plane. By the time he was airborne the giant creature had vanished

somewhere down river."<P>

In the Alien scenario, basically three groupings have been des-

cribes as interacting with Earth in some form or another. These

include the NON-INTERVENTIONISTS who are mostly humans who

adhere to a policy of honoring another worlds personal sovereignty

and independence; the INTERVENTIONISTS which include the

reptilian Grays which are notorious for their deceptive manipulations

of unsuspecting human cultures; and the opportunists which include

both humanoid and saurioid cultures that often collaborate in order

to carry out a common agenda although with different end-goals.

Often these inter-species "collaborations" eventually fail as mistrust

grows and the delicate negotiational balance is lost within the

growing chasm of conflicting interests. In fact some of the most

vicious species wars have reportedly occurred as a result of past collaborations which have failed. There have apparently been several humanoid cultures who have passed through the stage that planet earth is now going through (that is, a process of accepting a technology-trade alliance with the Reptilians/Grays with the motive of expanding their own technological power base -- even through the Grays are evil, they are not stupid. They will NEVER allow the 'recipients' of one of their joint-interaction ventures to come out ahead of themselves -- and ultimately finding out that the saurian Grays were offering nothing but a "Trojan Horse"). <P>

One such culture that has reportedly interacted with the Grays in the past [just as earth-governments are doing NOW] and have since come into conflict with the same, are the SIRIANS. It is believed that the Sirians are en-route to the SOL system with a large contingent or armada of warrior-vessels to wage war against the Grays who have infested our system. Apparently the Sirians have their own "interests" to protect in this system, including large underground bases that have been operational for centuries if not millenia. Their race has reportedly interacted with earth-cultures, especially those of Africa, since ancient times. Let us hope that this is their ONLY motivation for bringing their fleets into our system, because if they have an ulterior motive of capturing planet earth in the process they may find themselves fighting a double-front war like the Nazis when they challenged the two super-powers of America/Britain and Russia. If that were the case the Sirians might find themselves directly in the line of fire between the human vs.

reptilian conflicts that seem to be escalating throughout the SOL system. This is not intended to be a premature judgement of the Sirians' intentions, but merely what we believe to be a justified expression of caution.<P>

Researcher Val Valerian, in his LEADING EDGE newsletter, quoted from an article which appeared in the "CONFIDENTIAL REPORTER", titled, "HUBBLE TELESCOPE: BIG LIE". The article stated that the 'reason' why Hubble supposedly 'failed' (some workers on the multi-billion dollar project apparently ordered the wrong size of mirror, so goes the excuse) is because it did not 'fail' at all. The article alleges that Hubble has seen things which most people would not believe unless they saw it for themselves. Quoting from the CONFIDENTIAL REPORTER:<P>

<BLOCKQUOTE> "...In our history, whenever an inferior culture has been exposed to a superior culture, it has languished and faded away. This is supposed to be proof that our world cultures will suffer the same fate, if exposed to a vastly superior extraterrestrial alien culture. In the past, that may have been true of cultures in stasis, people who were satisfied with their way of life and didn't want to change it. Today, we are in a vastly different situation... there is more technological progress in a day now then there was once in a thousand years before. We are not now of a nature to bow down humbly to alien entities as 'Our Masters.' Give us some credit!<P>

"At least, that is the firm conviction of DR. HANS MARKOWITZ

and the 'Secret College,' of top scientists the world over. They don't accept the politically fictionalized history of man, but instead see man as capable of holding his own. And deserving of the truth!<P>

"The big picture, the reason for the big lie, is this: We may be facing the greatest war, an interstellar war, that the universe has known. Far out in space, in the general direction of Sirius, the 'Dog Star,' a monstrous cloud of vessels is moving through space. All information obtained to this point has been subjected to computer analysis. The indications are that this is a space flotilla that will intercept Earth in approximately 12 years <EM>(<STRONG>Note: </STRONG>That is, shortly after the turn of the century. Sirius, an AO spectrum class star being 8.7 light years distant from earth, would have been a very likely choice for ancient Terran cosmonauts to explore, as suggested by the fact that the Dogon tribe of Africa is aware of various aspects of Sirius, including it's 'black hole' companion. Also the ancient Egyptians of Africa, according to Richard Hoagland, not only interacted with the "monuments" of Mars and the Moon, but also gave the star SIRIUS a central place in their cosmology - Branton)</EM>.<P>

"These vessels, though huge, do not give the impression of enclosing vast amounts of useful space, as would be the case with freighters, or passenger craft. They are up to five hundred miles long, sleek, apparently all technological muscle, and are assumed to be military in nature, and therefore likely hostile. Such a con-

glomeration of power would not be put together to pay us a friendly visit! We must assume the worst!"

A more reasonable philosophy might be: "Hope for the best, but prepare for the worst."<P>

In his article 'ALIEN INVADERS', researcher 'TAL' LeVesque reveals additional facts concerning the ancient Evadamic-Draconian conflict above, upon, and within the earth:<P>

"The 'DRACONIAN' Group is a Confederation. They are Reptilian Humanoids, with sub-groups (The 'Serpent Race', from Sirius)... They set up Bases inside Venus, the Earth, etc... <P>

"AN ANCIENT CONFLICT -- The Indians of the South-West U.S.A., have legends of tall, fair-haired Beings. They also have legends about the 'Little People'. Both are said to have 'Sky Craft' or 'Saucers'. American Indians speak of Underground Races, Surface Races and people living 'Above', in the Heavens. The Navajo legends state they once lived Underground (together with the Coyoteros and the White people) below a mountain near Silver-ton, Colorado. NOTE: Mt. Hesperus (meaning 'VENUS') is sacred to them. After coming to the surface they went south and settled in the canyons of the Dinetah area, (near Navaho Dam, between Aztec and Dulce, New Mexico).<P>

"They then set up defense sites and expanded south towards Mount Taylor and west into Arizona. Built atop high mesas were fortresses and towers consisting of three or more stories.<P>

"The Pajaritan Pueblo Indians have a Legend that they emerged from the INNER EARTH, near the Great Sand Dunes (National Monument) in Colorado. They then traveled down the Rio Grande, setting up Pueblos. The area now known as Los Alamos, was considered evil. The home of Underworld 'Little People', from which would come the curse of 'The Gourd of Death'! (and so it did) 'The Greys' are 'Deros'.<P>

"According to New Mexican Folk Myth, Montezuma was born near TAOS and trained by beings who lived in Caverns, inside Pueblo Peak. (NOTE: At near-by Blue Lake, UFOs have been seen entering and exiting the water.)<P>

"The Aztec of Mexico, who some think originally came from here, believed that the Sun God needs Blood and sacrificed humans for its' nourishment. They killed over 20,000 people each year.<P>

"Near Taos, in a Cave (above the Lucero River, not far from Frijoles Canyon) is where Human sacrifices were made - some say EVEN NOW. <EM>(<STRONG>Note: </STRONG>According to a source from Baltimore, MD., one man encountered a hominoid reptilian in a cave with black rock walls north of some 'springs' near San Crystobel, not far from Taos,

"Cultists venerate the Mayan-Aztec Death God, 'Camazotz', who took the form of a WINGED CREATURE who removes the heads of his followers who displeased him. Research indicates the High Priesthood had contact with WINGED-REPTOIDS (who were known to devour humans) and the creatures were seeking various articles of commerce, possibly gold, Psycho-active Plants (drugs), etc.<P>

"THE MANIPULATORS OF THE MIND -- Alien Civilizations have contacted some of the Earth's inhabitants and practiced various forms of thought control on those they have contacted. Officer Herb Schirmer, Betty and Barny Hill, and others were given post hypnotic suggestions to try and make them forget the contacts. Only

through strength of character and hypnotic regression were they able to talk about their experiences.<P>

The 'Reptoids' get their orders from the Elite WINGED DRACO. <EM>(Note: other sources seem to indicate that the chain of command begins with the 'Infernals' or 'poltergeists' that utilize bio-synthetic physical 'forms'; the paraphysical 'Mantis-Insectoid' beings; followed by the Winged Dracos or 'Mothmen'; and then the large 'Lizard-like' saurioids or Reptons; the large-muzzled 5 ft. tall greys or 'iguanas'; and then the shorter common 'greys' and 'frog-faced' amphibious lizards; followed by various non-hominoid reptilians such as the sea-saurians, giant subterran serpents, dragon-worms, etc. -- which 'seem' to be used more for

"THE 'EL' GIANTS -- Elite Cast 'MAN,' the 'Orion Group', have
Outpost Bases inside the planet MARS. They are also known as
'The Titans'...'The Brothers'...etc." <P>

<EM>(<STRONG>Note: </STRONG>The huge 25 km long cigar-ship seen next to a Martian
moon -- which many believe to be a hollowed asteroid 'base' -- in the
photograph taken by the Russian PHOBOS PROBES before the
'UFO' turned towards them and they lost the signal, may have been
an El-Anakim construct (not certain though). This photo was
shown in May, 1992 in Tim White's 'SIGHTINGS' documentary
['UFO Contact' segment] on the Fox network. This 'Mars-Orion'
reference is the only source we have which actually alleges to
identify an extra-earth colony of the giant 'EL' humans, Titans, or
Anakim. The Orion star Betelgeuse is most often referred to in

relation to the "giants". Although we have come across little corroborative information concerning the extraterrestrial activity of this branch of the human race, there have been round-about accounts of possible interaction with the Orion constellation. The 'Eternity Gate', the alleged entrance into the infinite realm beyond the time-space-matter universe OR a vortex leading to the literal domain of the Almighty Creator, is believed by many to exist within the Orion NEBULA several hundred light-years BEYOND the Orion open-cluster. One source claims that a man several years ago was let down a cable into a gigantic cavern which had been broken into by a particularly deep 'oil' well shaft in Texas. The man claimed to have met there giant 11-12 ft. tall humans -- El-Anakim? -- who said that the Creator had ordered their civilization to remain in these caverns and to separate themselves from surface races where they might otherwise be worshipped as gods by ignorant humans because of their stature. This man was told however that this racial 'punishment' would last until the day of Judgement-Purification and also involved other things. They didn't say exactly these other things were, however several years ago one woman who claimed to have visited their underground civilization -- which was not necessarily such a bad place to live, according to her -- described her experience in AMAZING STORIES magazine when Ray Palmer was it's editor. This woman, Margeret Rogers, was allegedly taken to the underground cavern cities of these giant humans whom she called the 'Nephs' or 'Nephli' [short for Nephilim?]. They said that their name for God was 'Tamil', which was also confirmed by the Telosian 'Bonnie', whose people allegedly have

some contact with the 'giants'. They also told Ms. Rogers that one day man may develop interstellar craft and be so presumptuous as to approach the very throne of God and invade His personal domain, and thus invoke his wrath upon the whole planet. Another source claimed that some centuries ago these human 'giants' RETURNED from a great interstellar migration or expedition and upon returning RE-ESTABLISHED their ancient vast cavern cities beneath Alaska and elsewhere. One might ask why would the 'Titans' warn humanity to steer clear of that part of the heavens -- the Orion Nebula? -- unless they had in the distant past learned that lesson for themselves? Did they make the unfortunate mistake of trying to invade the 'Eternity Gate' when the Almighty Creator had reserved entrance only to those purified human spirits-souls who were destined for that uncorrupted Eternal Kingdom beyond the confines of this mundane physical universe? Such a possibility, although admittedly supposition, is worth consideration. As for the EL's, ancient records state that they once dwelled in the Middle East and also the ancient Gobi region, but now live mainly in large cavernous systems below Alaska, Oregon, northern California, Utah, Texas, Mexico [where Ms. Rogers encountered her friends] and other parts of western North-Central America - Branton)</EM><P>

"The Elite Corporate/Military/Governmental Complex of this country (and its' connection to One-World control cliques) are currently in negotiation with the Draco. They have threatened 'Fail-Safe', if the Draco (the Serpent Race) and their minions ('The Greys' and their human Agents) do not stop exploitation of the Earth. In other words, an Elite Control Group (who have moved most of their chosen race, to Underground Cities on the Moon & MARS) are willing to launch 'Super-Dirty' Nuclear Weapons (from Deep Sub-City Bases, manned by patriotic 'mind controlled' orphans) to poison this entire Planet and kill everyone, so that NO ONE can have the Jewel EARTH ('The Divine Tear')... <EM>(Apparently they feel that "we" on the surface are willing to make such a sacrifice in order to keep the earth "human" - Branton)</EM><P>

Researcher Val Valerian revealed the following alleged incident concerning one apparent 'victim' of the 'Dulce wars':<P>

"DULCE LAB TECHNICIAN HELD: In early November, 1988, we received word that the scientist son of (B.M.) is now being held in the underground facility at FORT WAYNE, Colorado. The underground base is located in southwestern Colorado near the UTE mountains <EM>(John Lear states that other former Dulce scientists are being held prisoner in an underground base in Utah. He mentioned "Sleeping Ute" mountain, which may be a reference to a peak in Utah OR a reference to a peak within the UTE mountains of southwestern Colorado - Branton)</EM> The son apparently worked at the genetics lab under Archuleta mesa near DULCE, NM and finally grew disgusted with what he was observing. Subsequent probes into the retention of this person have yielded several interesting project names. His father, B.M. apparently encountered two Nordic appearing men in Pomona, CA on 22 Oct. '88..."<P>

The following information was released by 'Leading Edge Research' in June of 1992. Although the alien vanguard that is allegedly behind the 'New World Order' conspiracy is not specifically mentioned in the article, a secret government group, the Trilateral Commission or "TLC" (which is in turn reportedly motivated by a reptilian agenda to the extent of sharing their pyramidal 'trilateral emblem' according to many sources) is mentioned:<P>

"During the UFO EXPO West 92 in Los Angeles, which took place a week after the riots in Los Angeles, I chanced to run into some fellow investigators who had observed several ships loaded with electronic antennae off the coast of Los Angeles two days before the riots took place. There are groups in Southern California that regularly conduct frequency analysis of various metropolitan areas, and they reported that the Los Angeles area was HEAVILY DOSED WITH BETA FREQUENCIES shortly before the riots occurred. Beta frequencies can produce anxiety states, and this most certainly exacerbated another scenario, which was a controlled exercise in population manipulation <EM>(a product of the microwave mind control experiments carried out at Montauk Point, Long Island in the mid-1980's? - Branton)</EM><P>

"The enormous media-centered campaign around the Rodney King case would not have been possible without the approval from the highest levels of the TLC and intelligence agencies, and it points to a long-standing campaign to encourage race riots -- a campaign that has apparently existed for the one-year period

between the original incident involving Rodney King and the trial that ended on April 29, 1992.<P>

"...On April 30th, the Compton Police Dept. revealed that it had arrested six people for arson, and that when questioned about their activities, the youths said they 'were on a mission to burn down 10 buildings an hour' <EM>(<STRONG>Note:</STRONG> are some of the L.A. 'gangs' tied-in to secret societies at the higher levels? - Branton)</EM>. Their car contained 10 gallons of gasoline for use in these fire-bombing operations. Law enforcement sources also report that many of those arrested during the disturbance had identical cover stories, indicating that there were many such groups under the coordination and control of someone.<P>

"The Los Angeles riots were in fact intelligence agency operations that were used to invoke the application of military troops; they were an attempt to start nationwide riots that would require the invocation of martial law and FEMA plans.<P>

"Another indicator that the 'riots' were probably an intelligence operation is that the day before the Rodney King verdicts were released, a mass leaflet was distributed in South Central Los Angeles by a group calling itself the 'Revolutionary Communist Party'. If you are at all familiar with US intelligence agency practices, it can immediately be seen that RCP is a front for CIA activities. Most 'revolutionary' and 'terrorist' activities are in fact performed by the very intelligence agencies which claim to exist for

the prevention of such activities. The leaflet said, 'There's No Justice in the Courtroom -- It's Right to Rebel.' <P>

"...Within days of the incident, Los Angeles Mayor Tom Bradley (who is also a MEMBER of the Trilateral Commission, folks) used the press-orchestrated clamor for 'police reform' to put TLC counter-insurgency apparatus in place which launched a virtual war on local law enforcement, effectively paralyzing, if not destroying, those functions <EM>(could Mayor Bradley and Police Chief Gates have been two lower-level 'Hegelian' pawns? - Branton)</EM>. TLC member Tom Bradley, as it turns out, appointed fellow TLC member Warren Christopher to form the 'Independent Commission to Investigate the LAPD.' Christopher, whose 'specialty' is riots and urban insurgency, is a partner in the law firm of O'Melveny and Myers. In the early 1960's, he and fellow TLC member Cyrus Vance, then at the Pentagon, drafted 'Operation Garden Plot', a plan for military martial law in American cities in the event of 'domestic civil disorder'. Of course, there is no distinction made of the 'cause' of domestic disorder, if you get my point.<P>

"Warren Christopher, in fact, was one of the creators of the Law Enforcement Assistance Administration (LEAA), during the Johnson administration, when he was Deputy Attorney General. LEAA was one of the early attempts to implement a top-down federal takeover of local police departments in the U.S.<P>

"...It is apparently a long-standing policy of the Trilateral

Commission to foment civil disturbance and unrest, not just in the U.S. but worldwide, in order to foster the imposition of world dictatorship.<P>

"Don't stop now -- it gets more interesting. Also appointed to the Christopher Commission by TLC member Tom Bradley, Mayor of Los Angeles, is a man by the name of Mickey Kantor, who just happens to be the national campaign manager for the Democratic Presidential candidate and TLC member <EM>(and later President - Branton)</EM> William Clinton, who is himself at the heart of the drug-smuggling operation that was detailed on April 21, 1992 on NBC televisions 'A Current Affair'; drugs have been flown in and out of the airport in Mena, Arkansas since the early Reagan days, and according to the television broadcast, both BUSH and CLINTON are aware of it; every time there is an effort to look into it, THE INVESTIGATION GETS STONE-WALLED BY THE FEDERAL GOVERNMENT. Check it out for yourself..."<P>

The following paragraphs are taken from a document titled "WAKE UP AMERICA! AN OPEN LETTER TO ALL CITIZENS FROM COMMANDER X" [UFO REVIEW issue #37]:<P>

"...If you were tuned in to Geraldo Rivera recently [1993] you might have seen an expose of Area 51, a Top Secret military installation located just short of 150 miles north-northwest of Las Vegas. For it is here at this vast 38,000 acre military complex --

watched over most closely by Swat-like teams of private, para-military security guards hired from an outside agency in total defiance of all known Constitutional laws -- that something very strange has been happening on a regular basis.<P>

"...More important than the ground-level reports of sincere observers, however, are the claims of those working inside Area 51, who say that their lives were threatened when they found out what was really going on at this locale.<P>

"The first to go public was theoretical physicist Robert Lazar, who says that he was blindfolded every day upon entering the base and taken in a bus with blacked out windows to an area seven levels underground. Here he was put to work on several different craft of extraterrestrial origin, which had either been captured by the government when they crash landed, or [were] actually given to Uncle Sam by aliens looking for official consent to abduct humans in exchange for their technology. Later, when it was learned by the military -- who placed a tap on his phone -- that Lazar was scared for his life and ready to talk, the brass had him drugged and hypnotized so that he would not remember what he had seen or had been asked to work on.<P>

"According to Lazar -- and here is where his story gets some-what wild -- THE ALIENS AT SOME POINT ACTUALLY TOOK CONTROL OF CERTAIN AREAS OF THE BASE (PRESUMABLY THE LOWER LEVELS -- LEVELS FIVE, SIX AND SEVEN) BY

USING FORCE, GOING SO FAR AS TO ERADICATE SOME

SCIENTISTS WHO HAD BEEN COOPERATING WITH THEM.

Lazar believes that he was hired by the military to replace one of

those scientists who had been 'removed' from the operation. <P>

<EM>(<STRONG>Note:</STRONG> According to several sources, a similar attack FROM

BELOW resulted in the deaths of approximately 66 scientists and

security officers within the deepest underground levels of the

Dulce, New Mexico 'base'. Others suggest the possibly that other

bases in the U.S. or other parts of the world may have suffered the

same fate. This was apparently the 'reward' which the saurians or

aliens had for those 'secret government' scientists who believed

that they -- the Grays and Reptilioids -- would honor the 'treaty'.

We must state however that these scientists might not have been

the willing initiators of such 'alien interaction' but may have just

been following orders from higher-ups who were in fact the initiators

of the 'joint' activity [with what they may have formerly believed

were benevolent 'space brothers']. This tragedy might be a useful

lesson to those who may, in the future, sell out their own race for

physical financial-technological-political gain... and who might in

their insanity expect to be 'rewarded' by their supposed alien

'benefactors' for doing so. Unfortunately their 'reward' might be

their own elimination as well, when their usefulness as 'pawns' in

an obvious takeover attempt of this or other worlds has run its

course. IF the sub-networks are ever re-taken from the malevo-

lents, there is only one way that they can be RETAINED, and

that is to make the entire underground government base-system ACCOUNTABLE to the legal system of the United States. It was the actions of selfish governmental and industrial organizations -- who sold out to the 'Draconians' -- that "opened the door" for the invasion of the subnet in the first place. If all underground activities are monitored by RESPECTED Federal Institutions, then renegade elements of government or industry will not be so inclined to involve themselves in such alien-sanctioned activities as the Nazi-like genetic-biological experimentation on unknown numbers of human slaves. If surface institutions must abide by constitutional law and legal restrictions, then so should the underground laboratories operated by Los Alamos, Wackenhut, Rand Corp, and other Scientific-Corporate-Industrial parasites who believe that they are above the law - Branton)</EM>.<P>

"Lazar revealed in a series of interviews broadcast over Las Vegas radio and TV that the vehicles being flown over Area 51 (mostly at night, shortly before dawn) utilize a previously unknown principle of distorting space and time, 'using gravity as a lens' with the power source being an anti-matter reactor powered by some-thing the aliens brought with them called 'Element 115.'
<EM>(<STRONG>Note:</STRONG> Bob Lazar first came public when he became convinced that things were out of control at the test site. He contacted popular TV personality George Knapp who investigated his allegations first by contacting Los Alamos to see if Lazar had worked there as he had claimed. Los Alamos said they had no record of him ever working there, but Lazar said that 'they' were on to him and were in the process of

making him a 'non-person' and that is why no record existed of him ever working there. However when Knapp found an old Los Alamos telephone directory with Robert Lazar's name in it he started to listen more closely to what the scientist had to say - Branton)</EM><P>

"From a vantage spot known as a 'Mail Box Road,' near the town of Rachel, Nevada, a number of different types of craft have been seen by those who do not mind waiting into the wee hours and are patient enough to come to the area over and over until they, too, make an observation. Even NBC TV got into the act not so long ago when they took a news team to the area and managed to capture on video the flight of something that they acknowledged appeared to defy gravity..."<P>

Incredibly enough, in spite of all of the documentation suggesting the reality of an ancient and hidden conflict between the human and serpent races, an ancient Hebrew prophesy seems to have foretold -- thousands of years ago -- that such a thing would take place:<P>

This prophecy has been interpreted in many ways, but perhaps one of the most interesting of these is one which was penned by an anonymous believer so many years ago, no doubt in reference to the One who was destined to deal the death blow that would eventually result in the destruction of the 'ancient dragon' of Revelation chapter 12...<P>
